Note 1. All Rentals are in Sterling and are subject to the prevailing rate of VAT.

Note 2. All Rentals are payable Monthly in Advance.

Note 3. All Rentals are based on payments being made by Bankers Standing Order.

Note 4. Where rental payments are made by Corporate Cheque, the payments should reach LBTC, 7 days in advance of the due rental date, to allow for bank processing.

Note 5. All of the above rentals include the cost of one monthly service being carried out by LBTC's engineers. The preferred time and scheduling of the monthly service should be notified to LBTC at the commencement of the rental period. LBTC will seek to ensure that the monthly service is carried out at a time convenient to the Renting party.

Note 6. The cost of transport to and from site will be invoiced separately, and will normally be 750.00 Stg each way, save for those occasions, when the vehicle may be in the same location, prior to the commencement of rental.

International Rentals

All International rentals are quoted individually, subject to location, and may be quoted in locally currency where appropriate. Please [contact us](#) for your international requirement, we cover most countries.
